Health & Safety Policy Statement

The Health & Safety at Work Etc. Act 1974 requires CSS to ensure, so far as is reasonably practicable, the health and safety of our employees and anyone else who may be affected by our acts or omissions

In order to carry out this policy, responsibilities for health and safety will be clearly defined, allocated and accepted at all levels. All employees must play their part in implementing this policy within the relevant safety standards are to constantly improve.

When implementing this policy we will:

- Provide sufficient resources to ensure that proper provision for health and safety can be made;
- Carry out risk assessments of our activities and implement effective measures to control the risks present;
- Establish and implement safe systems of work for our work activities;
- Communicate with all employees about their health and safety and provide them with sufficient information, instruction and training through positive management and supervision in order to implement this policy fully;
- Make a commitment to the prevention of injury and ill health;
- Setting and monitoring Health & Safety objectives across the business, aimed at continuous improvement in safety performance.

The arrangements in place to implement this policy form part of the company's day to day operational procedures and as such are reviewed on a continuous basis. Where opportunities for improvement in safety standards or safety problems are identified they will be tackled promptly, and with sufficient resources, to ensure that they are dealt with adequately.

The implementation of this policy will be monitored throughout the company's activities in order to ensure compliance with its objectives and will be formally reviewed on an annual basis.
