Dated – 2ND Jan 2016

Declaration of Conformity to European Union Directives:

RoHS 2011/65/EU-2002/95/EC-2002/96/EC -1907/2006-REACH

Coler hereby confirm that we do not use or supply any restricted materials/Goods during the manufacture, handling or storage according to the European Legislations. This foundation commits us to be compliant with the Environmental Standards regarding the elimination of hazardous materials from our products and manufacturing processes as identified in the European Directive 2002/95/EC and the recycling of electrical equipment as identified in the European Directive 2002/96/EC.

It is our intention to follow a process of self-declaration for our products by working with our subcontract suppliers and Quality teams here at Coler Supply.

If you require further information please feel free to contact me.

Yours Faithfully

Mr. Karl Barker

Managing Director
